

		PRODUCT SPECIFICATION			INMIXION TRADING	
ORIGIN:	Argentina					
PRODUCT DESCRIPTION:		Dark red kidney bean				
HS CODE:		0713.33.99.122Y				
Organoleptical characteristics						
Parameter		Method		Value		
Smell		Smelling determination		Typical of the product. Fresh. Absence of foreign odors		
Colour		Visual determination		Dark red		
Shape				Depends on the caliber and variety		
Chemical characteristics						
Parameter		Method	Value		Unit of measure	
Moisture		Portable moisture meter	11	15	%	
Physical characteristics						
Parameter		Method		Unit of measure	Value	
Size		Grain count in 100 gr: 170 - 185 - 190 - 210 EN		%	90 min	
Split and/or broken grains		Visual determination		%	max 1	
Foreign material (glass)				%	0	
Foreign grains				%	max 0,5	
Contrasting colour				%	max 1	
Other defects					max 1	
Total damages				%	max 5	
Nutritional Information						
Energy/ Nutrients		Method: Per 100gr of the cooked legume		Amount per serving	Value	
Calories (kcal)				gr	127	
Protein (g)				gr	8,7	
Total Fat (g)				gr	0,5	
Carbohydrates (g)				gr	22,8	
Fiber (g)				gr	6,4	
Sugars (g)				gr	0,3	
Storage						
Recommended conditions		Closed package		In original package		
				On woodenpallets to avoid contact with the floor		
				Under cool and dry conditions		
Useful life						
Closed package			2 years with pest control			
Packaging						
Material		Polypropylen				
Weight		25 KGS - 50 KGS - 1000 KGS				
Label		According to contract specification
